

## **KACPER LARSKI**

Kacper's films can be identified by their strong sense of atmosphere and arresting visuals. Exploring the cinematic mix of the real and the surreal, he creates interesting and layered work. No matter what the premise or setting, Kacper brings his beautiful cinematography, sleek editing, and deep and visceral sound design to every project.

He is a Cannes Young Director award winner and has been working with international car and sports brands such as Land Rover, GMC, Subaru, Garmin and Richard Mille.
