

## **SAYNOMORE**

Darius Büsch & Tilo Kux aka saynomore, a directors duo that has proven to be inseparable. True to the motto "sought, found", the two got to know each other over the course of their careers and from then on created productions as a duo.

They quickly learned to use their strengths as a duo efficiently and meaningful. With Darius as the dreamer with visual strength & Tilo as the realist, with great imagery & narrative skills, "saynomore" was a born. Talk less, do more!

Despite long shooting days, little lead time, imperfect technology or other difficulties they were confronted with, they always managed to turn \*\* into gold. If you start from the bottom, you must improvise.

All the more they appreciate their current standing and always manage to make more out of less. Simple ideas, packaged in an exciting way and conveying emotions with a young, elegant look.

Saynomore.
